

## **Become a Firefighter**

Didn't everyone want to be a firefighter when they were a kid? Now is the time to make your childhood dreams come true. The Canton Fire Department is looking for Canton Residents ages 18 to 32 who are interested in becoming a firefighter. If a career in the fire service is of interest to you, please call Deputy Chief Scott Johnson at (781) 575-6654 and reserve a seat in our "How to become a firefighter" seminar.

The Fire Department will conduct a one hour seminar which will explore the benefits and challenges of today's fire service professionals. Participants will also receive important information outlining the steps necessary to begin a career as a Canton firefighter. The seminar will take place on March 2, 2009 at Canton Fire Headquarters from 7 pm to 8 pm. Class size is limited.
