

Agenda
Wayfinding Sign Design Task Force
Tuesday, May 28th 2019 at 3:30pm
Memorial Hall, 801 Washington Street, Canton, MA 02021
2nd Floor, Paul Carroll Conference Room

1. Discuss samples of signs in Town
2. Discuss sign slides from Open Space & Recreation update, 7-year Open Space and Rec Action Plan, and Downtown Parking Study sign recommendations
3. Graphic design vendor contacts
4. Samples of trail signs or other signage
5. Broad categories of sign types we will need
6. Next steps for:
 - a. Determining costs and scope of work for hiring a graphic design firm to do graphic standards for wayfinding and signage for different purposes
 - b. Allocating funding to design graphic standards for wayfinding and signage
 - c. Hiring a firm to design graphic standards for wayfinding and signage and complete that work
 - d. Paul Revere Heritage Site interpretive panels designed and installed
 - e. Preliminary interpretive panels designed and installed at Pequitside Farm, depending on available Conservation Commission/ Agent funds
 - f. Identifying key areas in the Town Center that could benefit from signage, what that signage would be; approach private business owners about voluntary sign program for off-street parking and shared parking agreements (can be separate issues)
7. Accept meeting minutes
8. Discuss next meeting date
