1. Welcome, introductions, review & acceptance of 4/16/20 meeting minutes.
2. Warner Trail update; a meeting is being planned for August. Per Judy Jacobs:

Our priority next steps are:

1. Addressing DCR's outstanding permits
2. Detailing the street version of the trail so that we can work on getting signage.
3. to proceed with the initial design of the trail segment between the Town Forest and Neponset Street, i.e., proposing a route/alignment and trail bridge crossing project for the Neponset East Branch.
4. To proceed with the initial design of the Galvin School to Ponkapoag Playground route/alignment and small bridge crossing project.

As part of the discussion with Jim Comeau and others, we brainstormed a number of possible funding sources for the trail extension that we could apply for, including:

- \$325,000 that the Westwood Station developers had to pay as part of the MEPA process to be used as trail improvements
- DCR Partnerships Matching Funds Program
- Community Preservation Act funds
- Land & Water Conservation Fund

3. Discuss grant applications for initial design of the Galvin School to Ponkapoag Playground route/alignment and small bridge crossing project.
4. Other topics from the community
5. Calendar
6. Adjournment
