

COVID VACCINATION PLAN

The Town of Canton is committed to facilitating the administration of COVID vaccinations to its residents and employees as directed and instructed by the Commonwealth of Massachusetts.

Due to the fluid nature of this process, we want residents to be informed with up-to-date information on:

- **When** residents are eligible to receive the vaccine (Phase 2 and Phase 3)
- **Where** to get vaccinated
- **How** to make an appointment/register for the vaccine

How do you get this information?

- Call the Canton Vaccination Hotline at **339-502-5715**

Visit www.town.canton.ma.us and click  to opt into electronic alerts from the Canton Board of Health for updates to this plan and FAQs about vaccination

- Visit the Massachusetts COVID-19 Vaccination Program site at: www.mass.gov/info-details/covid-19-vaccination-program

When the Canton Board of Health receives notice that the Town will receive vaccine to be distributed to the next group(s) of eligible people, this information will be communicated broadly by via:

- Town of Canton website and related social media outlets
- Emergency notification system (previously “Reverse 911”)
- Town newspapers
- Electronic message boards

Other resources to help stay updated:

- Sign up for Massachusetts COVID-19 & vaccine alerts at: www.mass.gov/alertsma-for-residents
- The CDC provides frequent updates at www.cdc.gov/coronavirus/2019-ncov/vaccines/faq
