*The CCPC voted 7-1-0 to recommend the original MAHT fund transfer request of \$60,000 to support a Housing Coordinator. The proposal contemplated funding the position for up to two (2) years. The CCPC was advised that a Town Meeting appropriation to hire an employee could only be for a single year. The CCPC intends to hold a vote to recommend funding of \$30,000 at their 3/14/22 meeting.
